

## QUICK FDS WEBSITE CONNECTION INSTRUCTIONS

You want to download SDS on the web site [www.Quick FDS.fr](http://www.Quick FDS.fr)  
Please follow the instructions below.

**1/** on the homepage, fill the identification fields (company, name and e-mail address), then click on Continue.

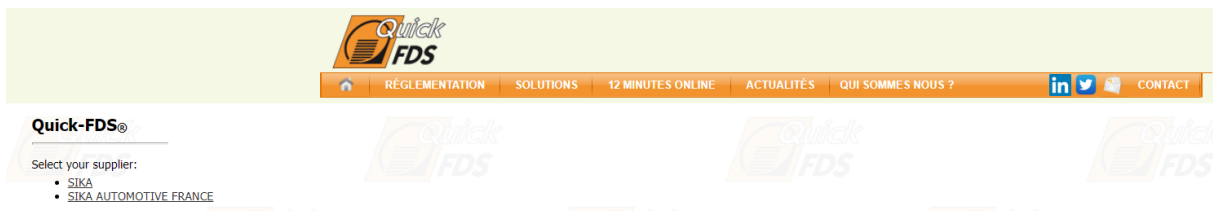

The screenshot shows the Quick FDS homepage with a navigation bar containing: HOME, RÉGLEMENTATION, SOLUTIONS, 12 MINUTES ONLINE, ACTUALITÉS, QUI SOMMES NOUS ?, and CONTACT. On the left, there is a 'Language' dropdown menu set to 'English - [EN]'. The main content area is titled 'Identification' and contains three input fields: 'Your company', 'Your name', and 'Your e-mail address'. A note below the email field states: 'Your e-mail address will allow us to send you any update of the documents you are going to look at.' A 'Continue' button is located at the bottom right of the form.

**2/** in the field “your supplier” enter **sika** and in the field “your customer code” enter **sikaauto**, then click on Continue.

The screenshot shows the 'Indicate your SDS supplier' form. The title is 'Indicate your SDS supplier (Depending on your supplier's policy, your Client ID may be compulsory.)'. There are two input fields: 'Supplier Name' and 'Your customer code (not necessary for some suppliers)'. A 'Continue' button is located at the bottom right of the form.

**3/** top left, click on SIKA AUTOMOTIVE FRANCE.

The screenshot shows the 'Quick-FDS®' menu with the option 'Select your supplier:' expanded. The list of suppliers includes 'SIKA' and 'SIKA AUTOMOTIVE FRANCE'.

You can consult from now all our safety data sheets.

For any question, please contact us on this [link](#), we will be happy to help you.

Regards,  
Sika Advanced Resins
